

NEW ZEALAND FINANCIAL PLANNING

Helping you make smart choices with your money

"Your future, your choice"

Nicole Hoy

BBus, GradDipBusStuds, RGN, CFP^{CM}

Let's face it, money is the currency of choice. While not all of us find money exciting, we all aspire to be in the position of being able to choose our own destiny.

Thankfully, Nicole is passionate about money. What she really enjoys doing is making your money work hard, while not taking undue risks and just as importantly, structuring your affairs so that you get the maximum out of your life today, without compromising on your retirement lifestyle.

Nicole specialises in all aspects of financial planning. Her clients vary from high net worth individuals, who she assists in protecting and growing their wealth, through to young savers just starting out and putting sound financial fundamentals into practice.

We all have different goals and aspirations and only you know what is important to you. Nicole will work with you to tailor a strategy and help you make the best decisions to get to where you want to be.

Nicole understands the importance of working together and attention to detail, as this was an integral part of her previous role as a Registered Nurse. With a degree in finance, she offers a wide range of skills to her financial planning clients.

Born and educated in New Plymouth, Nicole now lives in Karori with her husband and two children. In her spare time, she is a keen gardener and enjoys reading, walking and experimenting with new flavours in the kitchen.
